Re: Lifeline ETC Petition (WC Docket No. 09-197)

Dear Ms. Dortch:

In its pending petition for designation as a Lifeline eligible telecommunications carrier ("ETC"), kajeet, Inc. ("kajeet") has indicated that, once designated, it plans to submit a proposal to participate in the Commission's Lifeline Broadband Pilot Program.¹ Upon further review of the Pilot Program, kajeet wishes to advise the Commission that kajeet no longer has current plans to submit a Pilot Program proposal. Kajeet remains interested in providing Lifeline service, however, and respectfully requests that the Commission continue processing its petition.

Thank you for your consideration.

Sincerely,

Daniel Neal
CEO and Founder
